

Directions to the Jefferson building:

Southbound:

Take I-5 Exit 105A, follow "State Capitol" lane which parallels the freeway for 1/4 mile.

Northbound:

Take I-5 Exit 105A, keep to the left, following "State Capitol" lane.

At the first traffic light (Jefferson Street), turn right. Pass the Adams and Federation buildings. The Jefferson building is a large concrete structure with a blue awning on the right side of the street. Turn right on 11th Ave. and pull into the 1st driveway on your right. There are four (4) visitor parking spaces available, two outside and two inside the parking structure. Additional street parking is available on a first come, first served basis.
